FITS OVER GLASSES

RAC's Goggles are specially designed to fit over top of prescription eye wear or contact lenses.

LONG-WEARING COMFORT

Soft, PVC body flexes and conforms to the face for a secure, comfortable, gap-free fit.

FULL EYE PROTECTION

Wrap-around design fits snugly to protect you from flying debris, dust, airborne particles and chemical splashes.

PROPER VENTILATION

Our Goggles have proper ventilation above field of vision for proper, safe and quick ventilation.
